

WE'RE SCOUTING FOR TALENT...

to provide support to our volunteers.

Group Scout Leader

MAKE A DIFFERENCE.

Scouting across south east Scotland is going through a very exciting period with increasing numbers of children, young people and adult volunteers getting involved! We are now seeking a number of people to take on the role of Group Scout Leader at various established Scout Groups across this part of the country with a view to managing and supporting the existing local volunteers to run more effectively and develop further. It is likely we have a Group near you who would benefit from your skills and experience!

THE ROLE

- Assist and help ensure the best structures and practices are established to support the Group and volunteers.
- Give line management and support to the volunteers so that an exciting, challenging and balanced programme is delivered to the children and young people.
- Interact with other local Scout Groups.
- Delegate appropriate tasks to an existing and experienced team of volunteers.
- As a volunteer role we would ask for around 2-3 hours of your time per week.

THE CANDIDATE

- Will be a people-person, able to motivate, support and lead a team of adults.
- Will be a good time manager, able to balance personal life and other commitments.
- Will be a good planner and can communicate in a timely and effective way.
- Has no need for previous experience of Scouting.

WHAT'S IN IT FOR ME?

- Having the opportunity to make an impact in the lives of children and young people.
- Fit the role around your time availability.
- Having the opportunity to put something back into the community and leave a legacy for future generations.
