

# *Welcome to Bonaly Scout Centre*

## **CAMPSITE**

### **Welcome**

Bonaly Scout Centre is managed by South East Scotland Scouts. Please read the notes below to help you get the most out of your stay. Our Duty Wardens who look after the Centre will be available to answer any questions you may have during your visit.

### **Check in**

On arrival, please make your way to Reception to check in with the Duty Warden. They will show you to the allocated site allocated to your group during your stay.

### **Checking Out**

Please contact the Duty Warden before you depart. You will be expected to leave the facilities in a clean and tidy state. Please inform us of any damage or breakages so we may rectify this before our next guests arrive.

### **Toilets and Showers**

We have 3 toilet facilities -

- At the Chalet there is a single toilet and shower located adjacent to the front entrance (adults only).
- In the main carpark, there are full facilities with toilets, wash hand basins, and hot showers.
- The Toilet block located near the Druim field has toilets and wash hand basins.
- We provide toilet rolls and soap/hand gel in each location.
- Toilets will be cleaned by our staff regularly however we ask you to ensure that your group leave the facilities clean and tidy.

### **Parking**

Parking is very limited within the grounds. We recommend that visitors are met by their Leaders in Torduff Road and walked up to the Centre to avoid congestion. Please park considerately by not blocking access for emergency vehicles. At busy times the Duty Warden may ask you to put a note of your contact details in the windscreen.

### **Water**

There are a number of taps around the site, please refer to the map. All tap water is drinkable. The water is metered so please use it considerately.

### **Dish Washing**

Dishes can be washed in the dedicated sink outside the Cabin (sorry no hot water).

### **Campsite Fridge**

During the summer months there is a fridge (located beside the Blair Barn) available for groups to store items that require to be chilled. The fridge is communal so groups should label their items.

### **Fires**

Altar fires are provided for groups. All fires must be supervised by a responsible adult and should be kept to a minimal size. Before departing the site, please return altar fires and unused firewood back to the Wood Pile area. Please leave the ashes in the altar fire barrels. Fire-fighting equipment is situated near the woodpile.

### **Firewood**

The Wood Pile is there for the convenience of users of the site. Wood is donated and sometimes has nails and sharp objects which could cause injury or harm. Users should take extreme care and young people must be supervised by adults. Please chop up wood in the woodpile area, not on the grass. Dry kindling wood can be purchased for £5 per crate from the Duty Warden.

### **Rubbish and Recycling**

Please help us to protect the environment by recycling as much as you can. All groups are responsible for their rubbish and disposing of it correctly to keep their site clean. If you require a waste bin for your site, please ask the Duty Warden. **The Bin store is in the main car park**

### **Blair Barn**

This is a communal facility available to all campers particularly in bad weather. Groups taking part in activities also use the barn as a meeting place. We ask that the Barn is vacated by 10pm.

There are 3 flagpoles in the Main field and one in Druim Field. The Duty Warden will erect a flag on the centre pole, leaving the outer poles for groups staying on site to use.
